SWAMI SMALL PENDANT

45060
Natural and Black Ombre, Buri
Midrib

Makers utilize old world techniques to create this luxurious and modern piece. Made with hundreds of thin buri sticks, derived from a palm in the Asian tropics, the pendant is formed using traditional techniques practiced to make fishing baskets. Don't let the ancient construction techniques fool you, the bell shape, antique brass pipe kit and ombre finish add contemporary flair. Also comes in a larger scale (45061). Additional pipe available (PIPE-504). Certified for damp locations and intended for interior use.
