CMPFUR-OCN001

WHAT TO EXPECT?

Our faux materials are just as precious as the natural materials in our selection because they allow us to bring a touch of organic-inspired elegance to pieces that require a higher level of durability. Twisted faux wicker can feature some color variation between fiber dye lots, with some pieces appearing slightly lighter or darker. Changes in light and environment can impact how the color is perceived as well.

ADDITIONAL FINISHES

Charcoal

Speckled White
