WHAT TO EXPECT?

Wood is a natural material, so variation in grain pattern, markings, and color will occur, offering each piece made with this material a one-of-a-kind look. Each slab of quartz we source can vary in color, and the veining throughout can range in thickness and pattern, inspiring us to create designs that highlight the beauty of natural stone. With each unique pattern or shade, every one of our marble pieces takes on a one-of-a-kind look.
