WHAT TO EXPECT?

Banana leaf is a natural material, so the final color and texture can depend on the batch, with some leaves featuring dark spots throughout. These differences are what make banana leaf such a special material to work with, offering each piece its own one-of-a-kind look.

Our mirrors are designed to be hung by a professional, usually by wire. Actual hanging specifics vary on a case by case basis and depend on several variables, including the mirror weight and wall type. Incorrect hanging can result in damage to the mirror or the wall. Made Goods is not responsible for damage due to incorrect hanging of our pieces.
