

## MIA NIGHTSTAND

The Mia collection highlights the beauty of mixing materials, a hallmark of Made Goods' design. Delicately hand-antiqued mirror is the focus material, creating a warm, interesting base to build upon. This mirror is fully trimmed in wood or faux shagreen. Wood finishes come in cerused oak (whitewash or brownwash) or Palladian Silver Oak, which gives off a soft glow like that of unpolished sterling silver. Our newest trim option is luxurious faux shagreen. With all variations, the integration and interplay of textures and materials elevates the Mia Collection to be a true standout.
