Dimmable: Yes

Cord: 2' Black/White

Shipping Method: P/OS

UL/cUL Listed

The Purcell Wall Sconce is made of iron in a mustard gold finish in a sophisticated folded shape that curves out from the wall on the top and bottom to stealthily hold the dark ochre ombré glass shade that graduates from white at the top to a deep gold at the bottom. Into the metal are pressed linear impressions to add texture to the design, as does the shade with the bulb sitting squarely in the middle of the color field. The Purcell is dimmable.
