Socket Type: G4
Watts per Socket/Item: 2/2
Voltage: 120
Dimmable: Yes

Switch: Touch Switch

Shipping Method: P/OS

ETL Certified
Certified for Damp Locations

The Wayfinder Cordless Table Lamp has a telescoping body made of white marble that expands as it flows upward that is topped with a milky white glass globe to diffuse the light. Brass-finished hardware secures the globe to the body, adding a warm, contrasting element. A rechargeable bulb makes it easily portable. As marble is a natural material, subtle variations are inherent to each piece.
