DOTTIE LAMP

11059-896
H: 31 IN, Dia: 16.00 IN
Ice Reactive Porcelain
Contract Suitable As Is

The simple yet structural formation of this lamp was inspired by the flowy movement of oceanic waves. The Dottie showcases an angular base with hand-etched details that add texture to its shapely silhouette. An ice reactive glaze breaks beautifully over its porcelain profile and helps soften its acute accents. Topped with an off-white linen drum shade with white cotton lining and an antique brass sphere finial. finish
