EDDIE SCULPTURE

9233

H: 23 IN, Dia: 6.50 IN

Charcoal

Contract Suitable As Is

Just as sound waves undulate so does the unconventional silhouette of this idiosyncratic sculpture. With a profile that defies expectations this resin piece showcases a unique form in a charcoal finish with a gritty texture that increases and then decreases in size before reaching a square white marble base. A visual work of art for any space it occupies. finish will vary.
