ERIC ACCENT TABLE

4798

H: 22 IN, Dia: 14.00 IN

Blackened Iron

Contract Recommendations: Untempered glass

A timeless silhouette sets the stage for this all-occasion accent table. A thick clear cast glass top showcases an artisanal texture that offers an organic feel—a technique used since the Egyptian period. A modern tulip iron base penetrates and suspends the glass to offer a more contemporary take on traditional pedestal-style tables. A great addition to modern spaces both large and small.
