

# ARTERIOS

## FINNIAN SCULPTURE

4803  
H: 3 IN, W: 10 IN, D: 7 IN  
White  
Contract Suitable As Is

Artistic dualism is realized in this sculpture of simple geometrics. Hand-formed white marble is complemented by brass clad in an antique bronze finish uniting to create an interlocking design. This unique and expressive form is a multi-dimensional work of art for an entryway table or a living room console. Marble and clad may vary.
