HOGAN LARGE CONSOLE

4816

H: 29 IN, W: 40 IN, D: 12 IN

Burnt Iron

Contract Recommendations: Adding a lacquer coating provides additional protection.

Simple and stylish—basic but never boring. This large console is crafted from solid iron that has been hammered by hand lending a textured touch to its industrial frame. An ultra-thin top blends into slightly tapered legs that appear delicate but assure extremely steady. Visually lightweight it offers an airy aesthetic.
