

ARTERIOS

ADDISON SHORT ACCENT TABLE

CELERIE KEMBLE

DC2011

Indigo Leather

Contract Recommendations: Adding a lacquer coating provides additional protection

Who knew that leather and metal could make such a refined pairing? Bi-tonal finished brass forms the structure; the top has a brushed finish while the adjustable stem and accents have an antiqued golden hue. Taking a cue from fashion houses, Celerie designed the navy leather wraps to feature exposed stitching, that celebrates craftsmanship. Also comes in cognac leather (DC2010), as well as a shorter version in cognac
