ANSEL BAR STOOL

4747

H: 36.5 IN, W: 20 IN, D: 20.5 IN

Sterling Linen, Hammered Iron

Contract Recommendations: Adding a lacquer coating provides additional protection.

Sharp angles and an unrefined curvature define the bold aesthetic of this stool. Natural iron has been hammered by hand to create the rich impressions seen along the shallow back while the hand-forged legs yield more delicate details. The tight seat is covered in sterling linen elegantly elevating its textured façade. Also available as a counter stool (4746).
