BARRETT BENCH

4745

H: 20 IN, W: 65.5 IN, D: 14 IN

Ebony

Contract Recommendations: Adding a lacquer coating provides additional protection.

Solid oak is carved by hand to form the contoured seat of this handsome bench. The ebony-finished wood rests on a natural iron frame delivering a refined element to its textured form. Its minimalist profile and industrial characteristics make this a fitting option for modern spaces. For a more streamlined look pair with the coordinating stool (4743).
