## DENVER CANDLEHOLDERS, SET OF 2

9249

Antique Brass  
Contract Suitable As Is

Taking cues from the Bauhaus movement, the Denver set of two candleholders are both bold and elegant. Abstract geometry takes shape in the sleek, antiqued brass steel column, which effortlessly layers into a stacked base of white and black figured marble. The juxtaposition of materials and angles create a contrast that elevates the look. Each holds a standard taper candle. Marble will vary.
