MOANA ACCENT TABLE

5684

H: 17.5 IN, Dia: 15.00 IN

Black Burnt

Contract Recommendations: Adding a lacquer coating provides additional protection.

The djembe drum-inspired silhouette of the Moana is carved from a single piece of teak root — harnessing ancient techniques in a completely modern way. The tapered base of this accent table is punctuated with an etched motif of concentric circles that circumnavigate the surface, and the black burnt finish adds a modern element to the overall rustic aesthetic. Finish will vary.
