## OGDEN ENTRY TABLE

5706

H: 31 IN, Dia: 42.00 IN

White

Contract Recommendations: Adding a lacquer coating provides additional protection.

Simple in form, rich in detail- the Ogden offers a bold use of natural material and modern design. Crafted from a lava stone top and a light-weight pumice concrete base. The design balances the perfect ratio of varying tones and textures — from the circular ash-finished top with a chattered detail to a white pedestal base with a crater-like façade. Finish will vary.
