Oyster Leather, Gray

Contract Recommendations: Adding a lacquer coating provides additional protection.

All of the incredible qualities of rattan are prevalent in this handsome chair. The core of the piece is made with bent rattan poles formed into a comfortable curvature that hugs you while you're sitting. Thick square-cut strips of rattan are looped to create the intricate overlapping pattern that wraps the entire frame. Its organic aesthetic is modernized in a gray wash finish. Oyster leather cushions add a level of luxury.
