Polished Natural Petrified Wood Contract Suitable As Is

<u>APPEARANCE</u>

Material Petrified Wood Finish Polished Natural

Finish Will Vary true Top Coat/Sealant false Crafted thousands of years ago by Mother Nature herself, these rare petrified wood pieces are a testament to the wonders and idiosyncrasies of nature. Created through an organic process of heat and pressure, the dazzling array of colors and textures comes from the differences in woods and elements that are infused while the petrifying process is in effect. This ensures that each piece will be truly unique in almost every
