WILCOX BENCH

FHI03

H: 19 IN, W: 48 IN, D: 19 IN

Graphite Leather

Contract Recommendations: Adding a lacquer coating provides additional protection.

Conceived in a handsome mix of smoky graphite leather and contrasting blackened bronze iron, our Wilcox bench is a moody and modern addition to any space. The piece is elegantly constructed with a cantilevered seat cushion, giving the illusion that the seat is floating between its thick rectangular construction. Finish will vary.
