LESLEY LARGE SCULPTURE

4785

H: 39.5 IN, W: 36 IN, D: 5 IN

Light Walnut

Contract Suitable As Is

The Lesley enters the world of sculptural design. A large-scale portal-like mango wood ring in a light walnut finish is carefully pieced together by hand—accentuating the natural grain—and artfully displayed on a black iron base. A monumental piece for any style setting. Pair with the smaller version for an even more impressive visual.
