

LINCOLN DINING CHAIR

FRI34 LINCOLN DINING CHAIR ARTERIOS

FRI34
Morel Leather

A traditional demi-wing dining chair displays a touch of whimsy via splayed beech wood legs in an ebony finish and flared back detail. Topstitched couturier accents allow the morel leather to appear equally stylish from the back, making this adaptable style suitable for use at a dining table in multiples or singly in front of a vanity. Antique brass ferrule details completed the tailored look. Finish will vary.
