Blue Smoke Luster

Our Raine sconce was inspired by the vintage Murano glass lighting made popular in the '60s and '70s. The cascading silhouette is embellished with half-round layers of blue smoke luster seedy glass in staggered sizes. The lustrous glass pieces fold over a tiered iron frame, which is finished in antique brass. The result is a dramatic and textural waterfall effect. The glass strips can be removed to provide additional illumination if desired. Finish will vary. Damp-rated, although limited covered outdoor conditions may affect finish.
