

ARTERIO RS

TALIA SCONCE

DWC05
 H: 7 IN, W: 4.5 IN, D: 4 IN
 Opal Swirl
 Contract Suitable As Is

A modern interpretation of Deco-era theater lighting, the Talia sconce imparts a sense of glamor. The torchiere-style light is luxuriously crafted with a rounded opal swirl glass shade that is cradled by an angular framework of antique brass steel. The shade is open at the top to cast an unlit glow. Damp-rated, although limited covered outdoor conditions may affect finish.
