

## AUGUSTUS SCONCE

49637

Antique Brass, Steel

The Augustus sconce perfectly balances opal glass globes against antique brass arms and backplate. More organic in form the arms of this double-light sconce extend to further cradle the glass globe and to showcase its spherical shape. A subtly sophisticated and strikingly stylish element for modern spaces. Can be mounted both horizontally or vertically. Certified for damp locations and intended for interior use.

APPEARANCE

|                  |                                    |
