Switch: 3-Way Turn Knob

Shade: Off White Linen

Shade Dimensions: 14" x 13"h

Clarence Mallari designed the Althea Table Lamp with its classic mid-century modern cylindrical shape. Not only does the black concave in the white table lamp's body provide contrast color-wise, the white has a matte finish and the inset detail is glossy for a tactile counterpoint. An Off White linen shade in the perfect scale is attached to the lamp by a white orb finial.
