Delicate and dimensional, the Essery is a mastery of technique. Textured faux raffia is hand applied to the fabric-like flow on the front profile. Finished with custom designed hardware and all the "standard" quality you expect from Made Goods furniture (wood drawers, soft close glides, finished back so piece can float, etc.) the Essery is perfection!

### WHAT TO EXPECT?

Chosen to add a touch of organic-inspired elegance, faux raffia's appearance can vary due to the stamp application. While seaming is common, minor cracks may occur at the joints, and minor flaking can appear over time this material brings a hint of charm to each piece, allowing our designs to take on a life of their own. Keep in mind that pieces made with this material are best for indoor use, as excessive moisture can cause cracking and lifting. Changes in light and the environment can also impact how the color is perceived.
