Parra Coffee Table-Plaster Molded Conc

OVERVIEW

Make a monolithic statement. Made from plaster-molded concrete, pedestal-style legs support a rectangular tabletop of smooth, white-finished concrete, for a clean, adobe-inspired look. Indoors or out; cover or store inside during inclement weather and when not in use.

Distance Between Legs (Side to Side): 25.25"

Overhang: 7"

Tabletop Thickness: 1.5"

COLLECTION OVERVIEW

From the Constantine Collection

Since ancient Roman times, concrete has been a revered material for stunning architecture and design. Now, smooth concrete is layered over a honeycombed core for the strength, character and depth of traditional concrete at an effortless weight. Modern pieces mix in iron, stainless steel, lava stone and wood for industrial appeal with a sophisticated, urban edge.
