

LOUIS CHANDELIER

DLC40
English Bronze, Steel

Art Deco's bold geometric forms and elongated figures inform our smoke etched glass chandelier. Eight suspended glass shades extend from a mount of English bronze-plated steel. The sculptural form and cast texture amplify the glow within each frosted interior, creating a shimmering effect. Suspended from a matching pipe and canopy, it makes a striking statement above a table. Certified for damp locations and intended for interior use. Finish will vary.
