

NOIR

Shibumi Bench, Burnt Black Finish

SKU: AE-150BB

Bold, blocky construction hints at Asian origins with tapered wedge feet and three graceful scooped out seats. A Burnt Black finish adds another layer of interest with highlighted grain and organic, tropical vibes.

Fissures and cracks are a normal part of the aging process.

Placing this item on a rug is not recommended.

Dimensions	70W X 14.25D X 18H
