Not Outdoor Suitable

VARIATION TO BE EXPECTED

Yes

WHAT TO EXPECT?

Hair-on-hide refers to leather with the animal hide still intact. Since this material can be sourced from different breeds and individual animals, the hair on each piece can range in length and color, and this variation can be reflected in your piece. Additionally, the material can feature wrinkling, scarring, or other markings that are unique to this specific piece of leather and reminiscent of its natural origin.
